still have the garments  
of 1917 style, and we

### MISSIONARY CAMPAIGNERS

The Women's Foreign Missionary Society of the Third Street M. E. Church will be especially favored tomorrow with a visit from the Missionary Campaigners who have been visiting the Kentucky Conference churches. In the party are Mrs. L. H. Wilson, Conference Secretary; Mrs. R. L. Thomas, Secretary of the Cincinnati Branch of the Missionary Society, a recently returned missionary, with several others. They will arrive Friday morning from Ashland. At 1:30 p. m. a big public meeting will be held. The local branch has invited and is inviting every member of every missionary society of every church in the city and county to attend. And not only these are invited, but all ladies of the city are invited and will be made welcome. And the ladies will also be pleased by having the men to attend. Let's give our visitors a big welcome and hearing; we will all be the better for it. It should be a matter of church and city pride that these distinguished visitors be given a large hearing.

### ANOTHER SALOON FOR RIPLEY

(Ripley Bee)  
Messrs. Joe Heizer and William O'Reilly, Brown County Liquor License Commissioners, were here Monday on business connected with their department. They made the Bee a pleasant call, and stated in the course of conversation that the names of those granted liquor licenses would likely be made public next Saturday. One new license will be issued, but this new saloon cannot open for business before November 22nd.

### MISTAKE MADE

Yesterday in the announcement of the box supper to be held in the Limestone School we stated that it would be on Friday night. This was a mistake on our part as the social will be held tonight.

In Squire Fred W. Bauer's Court yesterday Lyle Pugh was fined \$6.15 for using language to provoke breach of the peace.

## BRANCH FACTORY

Of the Gibson Garment Co. Will Be Established in the Old St. James Hotel on the Corner of Market and Front Streets—Will Give Employment to Negroes.

Owing to the scarcity of labor, the Gibson Garment Co. being unable to secure enough girls to make goods enough to supply their demand that company has decided to establish a branch factory in this city in the old St. James Hotel on the corner of Market and Front streets. Only colored girls will be employed in the factory.

The managers of this plant have, for the past several weeks, been making great efforts to secure enough girls to properly run their main plant on East Second street. They have a great number of orders for their goods on hand and are somewhat behind in their shipments. They see no means of getting even without more help so after much discussion of the matter, during which time they thought of establishing a branch factory in one of the neighboring towns, they finally decided to open another factory in Maysville and employ only colored girls. This is a very good move and they should be able to secure enough quite readily.

Twenty machines for the making of garments will be installed in the new building and work will begin as soon as possible. The building is now being wired for the electric power and the managers expect to have the plant running by next week. Necessity forced them to make this move. The plant will be in charge of a colored forewoman.

### SHE SACRIFICED HERSELF; MADE OF HERSELF A MARTYR FOR THE LOVE OF A MAN

This woman, she gave up all, and then he too, spurned her. But far sharper than a serpent's sting is the ingratitude of man. The failure to look behind the material things and see dazzling white the glorifying purity of a saintly wife and mother.

A story of heredity in which a woman's supreme sacrifice mercilessly bares the soul of man and woman is cleverly told in the wonderful tense film "Forbidden Fruit" which is the extraordinary feature attraction at the Pastime Theater this afternoon and night. This picture is in five vivid and absorbing parts with Paula Shay featured, supported by Everett Butterfield and a splendid cast. The price of admission for this wonderful picture which will be shown at the Pastime today only is 15c to each and every one. There will be no advance seat sale—first come, first served. Positively no children under 16 years of age will be admitted.

### WILSON NAMES ADVISORY BOARD—SAMUEL GOMPERS ONE OF SEVEN MEMBERS

On Board President Wilson's special, Harrisburg, Pa., October 11—President Wilson, en route to Indianapolis, tonight announced the appointment of members of the Advisory Commission to be associated with the Council of National Defense created by Congress at the last session. At the same time he gave out a statement saying he hoped the council will "become a rallying point for civic bodies working for the national defense."

The seven members of the new Advisory Commission named by the President tonight are Daniel Willard, president of the Baltimore & Ohio Railroad; Samuel Gompers, president of the American Federation of Labor; Dr. Franklin S. Martin, of Chicago; Howard E. Coffin, of Detroit; Bernard Baruch, of New York; Dr. Hollis Godfrey, of Philadelphia, and Julius Rosenwald, of Chicago.

### PROF. J. W. BRADNER ILL. AT ASHLAND

Ashland Independent)  
Supt. J. W. Bradner is ill at his home on East Montgomery avenue, suffering with diphtheria. On Thursday morning he was feeling quite badly, a physician was called and under his direction he stayed at home. The trouble was not pronounced diphtheria until this morning, when it seems that he has a well developed case. The house is quarantined and every precaution is being taken by the attending physician and the health officer. Just where he contracted the disease is a mystery.

### THE SHOWS

"The Man Who Tried to Grow Young" was shown at the Pastime Theater last evening and drew a large crowd. This picture has been shown in many of the larger cities and portrayed a splendid moral lesson to everyone.

The Washington also had a morality picture booked for the evening, "The Little Girl Next Door," attracted one of the largest crowds ever present in this popular theater and all were greatly impressed by it.

## N. B. C. GRAHAM CRACKERS

You don't have to coax the children to eat plenty of N. B. C. Graham Crackers. These are not only rich in the nourishment that builds bone and muscle, but their tempting taste makes the little appetites hungry for more.

N. B. C. Graham Crackers added an individuality and nut-like flavor that other graham crackers lacked. This makes them an almost universally popular article of everyday diet.

### NEXT GRAND LODGE, I. O. O. F. TO GO TO MIDDLESBORO

Louisville, Ky., October 11—Lexington lost its fight for the home of the Kentucky Grand Lodge, Independent Order of Odd Fellows, when a motion to take the headquarters from Louisville was defeated today by an overwhelming vote.

There has been little doubt of the desire of the Grand Lodge to retain its headquarters here. Anticipating defeat, the Lexington supporters presented a counter proposal that the annual meeting be held in the Fayette capital every fourth year. This resolution will be voted on next year.

Middlesboro won the fight for the next meeting of the Grand Lodge. Mayfield, Bowling Green and Richmond were the other contestants.

The towboat George Matheson passed Maysville yesterday with a large tow of empty barges en route to Point Pleasant, W. Va.

From the fact that an east wind has been blowing for the past three days old rivermen say that this a sure sign of a rise in the river within a few days.

The Pittsburg Coal Company's towboat Cruiser, a coal digger, and six loaded coal barges are aground at Nine-Mile Sandbar awaiting a rise in the river to be floated off.

The towboat Crown Hill which was stranded on the Buena Vista Sandbar recently with a tow of logs and was drifted off during the last rise, has arrived in Cincinnati with its tow.
